

AnantaVana

ABOUT ANANTAVANA

AnantaVana is a unique and exclusive sustainable reforestation project nestled in the serene landscapes of Kabini. Designed for nature enthusiasts, AnantaVana offers a sanctuary where individuals can reconnect with the natural world. The project is being developed jointly in collaboration with VanaTvam and Indus Herbs.

Anantavana fosters a community of

like-minded landowners

who are deeply committed to preserving the rich biodiversity of Kabini. Each farm plot within AnantaVana serves as a personal retreat, offering a tranquil space for rejuvenation, while playing a vital role in maintaining the ecological balance of the region. AnantaVana offers a conscious lifestyle choice for those who wish to immerse themselves in nature's embrace.
